Content-Type: application/xml

verifi-user: <user_name>

verifi-user-pass: <password>

Body:

Subscribe to all trucks:

```
<?xml version="1.0" encoding="UTF-8" standalone="yes"?>
<verifi-subscription-request xmlns="https://portal.verificoncrete.com/api/1.0/xml/subscription"
min-gps-interval-seconds="0">
  <context>
    <all/>
  </context>
</verifi-subscription-request>
```

Subscribe to single truck:

```
<?xml version="1.0" encoding="UTF-8" standalone="yes"?>
<verifi-subscription-request xmlns="https://portal.verificoncrete.com/api/1.0/xml/subscription"
min-gps-interval-seconds="0">
  <context>
    <truck>
      <value>4892</value>
    </truck>
  </context>
</verifi-subscription-request>
```
